

My name is Kim Smith. I am a Resident Service Manager for a management company in Suffolk County. We are always in need of good contractors for our resident's repairs. Good contractors are easy to come by, exceptional ones are not. I would have to say that Island Wide Cleaning is one exceptional contractor!

It is rare to get a call from a resident AFTER the contractor has come and gone. I can't tell you how many times I have received calls to thank me for sending Island Wide because not only was the job done quickly, professionally, and with as little disruption to their lives as possible, but the residents were so impressed with the professionalism and manners of each and every worker they encounter from this company. This is very big in my book.

I would wholeheartedly recommend this company to anyone in need of its services. Thank you Island Wide Cleaning Services for all the good work you do. I know I never have to worry when I send a work order to your office~
